

## **JOB DESCRIPTION**

### **Bilingual/Bicultural Peer Support Specialist**

**Job Summary:** Recovery Café Longmont is a community of refuge and healing for people in recovery. The Bilingual/Bicultural Peer Support Specialist has a deep understanding of the Café's vision to be an enlightened community where people in all walks of recovery are empowered to be their best selves and works in a culturally attuned manner to nurture and maintain our guiding principles: shows respect, practices forgiveness, cultivates compassion, encourages growth, and connects with the divine love in ourselves and others.

The Bilingual/Bicultural Peer Support Specialist reports to the executive director and provides outreach and support to members of the Latinx community experiencing mental health and substance use challenges.

The Bilingual/Bicultural Peer Support Specialist is a person in recovery from a mental illness and/or substance use, and has experience working with others on their individual road to recovery. The Specialist incorporates their own recovery experience as a means of inspiring hope in those they serve, as well as providing a positive role model to others. They know the journey to recovery is real and attainable, because they have traveled the path.
